INDICATIONS POINT TO ANTI-PRO VICTORY TODAY BY 580 MAJORITY

PRACTICALLY CONCEDED THAT ANTIS WILL
CARRY FIVE OF THE SIX CITY WARDS, ALSO
FAIRVIEW, TULOSA, BLUNTZER, BANQUETE,
OSO, FLOUR BLUFF AND PORT ARANSAS

BISHOP PROMISES SLIGHT MAJORITY FOR THE ANTIS

Estimates of the voting in today's election, secured from
correspondents of The Caller, from all sections of the county
and an estimate of the city vote, made by a careful checking
of all the poll lists, indicate that in today's election the anti-
prohibitionists will win by 580 majority over the prohibition-
ists. While not posing as a prophet, past experience have
shown that the election estimates of The Caller are so care-
fully prepared and all conditions taken into account, that it
seems assured that the anti-prohibition victory will not fall
short of the majority estimated herein.

The antis will have majorities in city wards one, two,
three, four and five, in Fairview, Tulosa, Bluntzer, Banquete,
Oso, Flour Bluff and Port Aransas.

The prohibitionists will probably carry city ward six, the
Rincon, Calallen, Agua Dulce, London, Robstown and Sun-
shine.

At Bishop and Alta Vista the voting will be very close
with the possibility of Bishop going dry by from ten to fifteen
votes, though the assertion is disputed by the antis. Alta
Vista will probably split fifty-fifty between pros and antis.

Here is the majority chart, as estimated by The Caller:

Voting Precinct—	Anti Majority	Pro Majority
Ward One, City	90	
Ward Two, City	85	
Ward Three, City	70	
Ward Four, City	145
